PROJECTS

PERSONAL PORTFOLIO

I programmed a personal portfolio using simple HTML and CSS to be utilized to showcase any projects I program throughout my Computer Science Degree. The source code is available on my GitHub Profile and the website can be viewd at "gloriousoyetunji.github.io".

VOLUNTEER EXPERIENCE

Summer 2020
MANGROVE NURSERY ASSISTANT | H LAVITY STOUTT COMMUNITY COLLEGE
Volunteered as a part of a team tasked with the rehabilitation of the BVI's mangrove population along the Island's coastline after the species' devastation due to the 2017 Irma/Maria hurricanes.

March 11, 2023
KIDS ALLEY ASSISTANT, KIDS ALLEY LEARNING CENTER
Volunteered for a day camp aimed at serving the families of inner-city children. Created fun and learning activities for children, supervised children and performed group bonding activities.

April 21, 2023
HOLLYBASH VOLUNTEER, ROWAN UNIVERSITY
Volunteered for a Holly Bash, an annual festival hosted by Rowan University. Aided in ensuring the day's activities went smoothly by, guiding and maintaining order in lines, answering student questions, and encouraging community bonding.
